

2016-2017 Curriculum Scholarship Information

Financial Aid support is granted on a year-by-year basis to eligible families. Applications for the 2016 – 2017 Curriculum Year must be submitted by the August 5th deadline. Applications can only be submitted once a student has received acceptance and placement information from TPB. Applications received after the deadline will not be considered until all other applicants have been awarded, provided funds are still available. Financial assistance is determined through TADS – a financial aid assessment service used by many other ballet academies around the country. They have been assessing scholarship applications for over 40 years.

Please be prompt with your scholarship application .

There will be a \$15 application fee (per student) payable to TADS due at the time of application.

Once a scholarship is awarded, scholarship students and parents must sign a scholarship contract. It details the responsibilities and obligations specific to scholarship students. If any of these responsibilities and obligations are not fulfilled, full tuition will be automatically charged to the credit card on file.

TADS will require the following materials in order to process your scholarship application:

- Most recently filed federal taxes
- Most recent W2's received by all Parents/Guardians listed on application
- Recent pay stubs of jobs that Parents/Guardians currently hold
- All documentation that establishes how much miscellaneous monthly or yearly income you currently receive (i.e. welfare, food stamps, unemployment, workers' compensation)
- All corporate, partnership and trust tax forms, if a Parent/Guardian owns more than 20% or more interest in a corporation or partnership or if any member of the household owns 20% or more interest in a trust
- Other documentation (recent utility bills, daycare expense, medical expenses, etc.,) may be required

All questions during the application process must be directed to TADS at 800.477.8237. TPB staff will not be able to answer questions directly related to the application.

Thank you,
