* The Ellové Technique™ is a cross-training class for dancers that takes the pure principles of ballet, yoga, Pilates, fitness, and physical therapy and seamlessly integrates them into a one-hour class that is equally challenging and restorative, choreographed to a carefully crafted playlist. In one hour, students hone their strength, flexibility, and balance as they simultaneously honor their bodies' needs and abilities. **Ellové classes are mandatory for L6/M6, & L7/M7 dancers, please refer to the schedule above for your day/time.**

** L6/M6 & L7/M7 dancers may be accepted into Youth Company (please refer to placement letter) and must pay additional tuition outlined in “Youth Company” section above.

***In addition to this schedule Career Track dancers take Curriculum L6, or L7 based on placement at no additional cost. The first week of Career Track classes will be adjusted as follows: **Career Track Technique classes will be held from 1:30pm - 3:00pm Tuesday, 9/6 - Friday, 9/9. There will be no rehearsals on those dates.**
