

## 2024-25 DRESS CODE

TPB's dress code is designed to encourage unity and discipline among our dancers. Dancers not meeting the required dress code or whose uniform is dirty or torn may be asked to observe class.

**\*Please note:** Leotards should fit tightly, like a swimsuit. A properly fitted leotard does not require undergarments to be worn. Please buy your dancer's leotard according to their current size and do not buy larger for them to grow into. Dancers are not permitted to wear undergarments beneath their leotard and tights and will be asked to remove them if they are visible.

**Dancers are required to adhere to the following dress code:**
